Also, we initially drafted the attached letter about 2 years ago and received Eve's input, but if you have any additional input please let us know. We plan to use the same language for the letters we send to the Miccosukee Tribe and Seminole Tribe. Please let us know if you would like to discuss. Thanks! Tom

Katie and Eve – We anticipate receiving a formal request soon from FDEP (possibly as soon as Monday) to administer the 404 program. We plan to issue consultation letters to Tribal leaders with interests in Florida and want to make sure our contact information is up-to-date. Would you please let us know if there are any updates to the contact information below? Thanks, Tom
